TERRORISM INSURANCE PREMIUM DISCLOSURE AND OPPORTUNITY TO REJECT

This notice contains important information about the Terrorism Risk Insurance Act and your option to reject terrorism insurance coverage. Please read it carefully.

THE TERRORISM RISK INSURANCE ACT

The Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), establishes a program to spread the risk of catastrophic losses from certain acts of terrorism between insurers and the federal government. If an individual insurer's losses from "certified acts of terrorism" exceed a specified deductible amount the government will reimburse the insurer for a percentage of losses (the "Federal Share") paid in excess of the deductible, but only if aggregate industry losses from such acts exceed the "Program Trigger". An insurer that has met its insurer deductible is not liable for any portion of losses in excess of \$100 billion per year. Similarly the federal government is not liable for any losses covered by the Act that exceed this amount. If aggregate insured losses exceed \$100 billion, losses up to that amount may be pro-rated, as determined by the Secretary of the Treasury.

The Federal Share and Program Trigger by calendar year are:

Calendar Year	Federal Share	Program Trigger
2015	85%	\$100,000,000
2016	84%	\$120,000,000
2017	83%	\$140,000,000
2018	82%	\$160,000,000
2019	81%	\$180,000,000
2020	80%	\$200,000,000

MANDATORY AVAILABILITY OF COVERAGE FOR "CERTIFIED ACTS OF TERRORISM"

TRIA requires insurers to make coverage available for any loss that occurs within the United States (or outside of the U.S. in the case of U.S. missions and certain air carriers and vessels), results from a "certified act of terrorism" AND that is otherwise covered under your policy.

A "certified act of terrorism" means:

[A]ny act that is certified by the Secretary [of the Treasury], in consultation with the Secretary of Homeland Security, and the Attorney General of the United States

- (i) to be an act of terrorism
- (ii) to be a violent act or an act that is dangerous to
 - (I) human life
 - (II) property; or
 - (III) infrastructure;
- (iii) to have resulted in damage within the United States, or outside of the United States in the case of
 - (I) an air carrier (as defined in section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States); or
 - (II) the premises of a United States mission; and
- (iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

REJECTING TERRORISM INSURANCE COVERAGE – WHAT YOU MUST DO

We have included in your policy coverage for losses resulting from “certified acts of terrorism” as defined above.

THE PREMIUM CHARGE FOR THIS COVERAGE APPEARS ON THE DECLARATIONS PAGE OF THE POLICY AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT. If we are providing you with a quote, the premium charge will also appear on your quote as a separate line item charge.

Note: With respect to Excess or Umbrella policies, this offer of coverage pertains only to those lines of business covered by TRIA and, more specifically, does not apply to commercial automobile insurance. In addition, this offer of TRIA coverage is expressly conditioned upon your acceptance of coverage for “certified acts of terrorism” on all underlying insurance policies that are subject to TRIA. If you reject such coverage on your primary liability policies, you must also reject it on your Excess or Umbrella policy.

IF YOU CHOOSE TO REJECT THIS COVERAGE PLEASE CHECK THE BOX BELOW, SIGN THE ACKNOWLEDGMENT, AND RETURN IT IN THE ENCLOSED ENVELOPE. Please ensure any rejection is received within thirty (30) days of the effective date of your policy.

_____ I hereby reject this offer of coverage. I understand that by rejecting this offer, I will have no coverage for losses arising from “certified acts of terrorism” and my policy will be endorsed accordingly.

Note that certain states (currently CA, GA, IA, IL, ME, MO, NY, NC, NJ, OR, RI, WA, WI and WV) mandate coverage for loss caused by fire following a “certified act of terrorism” in certain types of insurance policies. If you reject TRIA coverage in these states on those policies, you will not be charged any additional premium for that state mandated coverage.

IMPORTANT POLICYHOLDER INFORMATION CONCERNING BILLING PRACTICES

Dear Valued Policyholder: This insert provides you with important information about our policy billing practices that may affect you. Please review it carefully and contact your agent if you have any questions.

Premium Notice: We will mail you a policy Premium Notice separately. The Premium Notice will provide you with specifics regarding your agent, the account and policy billed, the billing company, payment plan, policy number, transaction dates, description of transactions, charges/credits, policy amount balance, minimum amount, and payment due date. This insert explains fees that may apply to and be shown on your Premium Notice.

Available Premium Payment Plans:

- **Annual Payment Plan:** When this plan applies, you have elected to pay the entire premium amount balance shown on your Premium Notice in full. No installment billing fee applies when the Annual Payment Plan applies.
- **Installment Payment Plan:** When this plan applies, you have elected to pay your policy premium in installments (e.g.: quarterly or monthly installments – Installment Payment Plans vary by state). As noted below, an installment fee may apply when the Installment Payment Plan applies.

The Premium Payment Plan that applies to your policy is shown on the top of your Premium Notice. Please contact your agent if you want to change your Payment Plan election.

Installment Payment Plan Fee: If you elected to pay your premiums in installments using the Installment Premium Payment Plan, an installment billing fee applies to each installment bill. The installment billing charge will not apply, however, if you pay the entire balance due when you receive the bill for the first installment. Because the amount of the installment charge varies from state to state, please consult your Premium Notice for the actual fee that applies.

Dishonored Payment Fee: Your financial institution may refuse to honor the premium payment withdrawal request you submit to us due to insufficient funds in your account or for some other reason. If that is the case, and your premium payment withdrawal request is returned to us dishonored, a payment return fee will apply. Because the amount of the return fee varies from state to state, please consult your premium Notice for the actual fee that applies.

Late Payment Fee: If we do not receive the minimum amount due on or before the date or time the payment is due, as indicated on your Premium Notice, you will receive a policy cancellation notice effective at a future date that will also reflect a late payment fee charge. Issuance of the cancellation notice due to non-payment of a scheduled installment(s) may result in the billing and collection of all or part of any outstanding premiums due for the policy period. Late Payment Fees vary from state to state and are not applicable in some states.)

Special Note: Please note that some states do not permit the charging of certain fees. Therefore, if your state does not allow the charging of an Installment Payment Plan, Dishonored Payment or Late Payment Fee, the disallowed fee will not be charged and will not be included on your Premium Notice.

EFT-Automatic Withdrawals Payment Option: When you select this option, you will not be sent premium notices and, in most cases, will not be charged installment fees. For more information on our EFT-Automatic Withdrawals payment option, refer to the attached policyholder plan notice and enrollment sheet.

Once again, please contact your agent if you have any questions about the above billing practice information.

Thank you for selecting us to service your insurance needs.

NOTICE TO POLICYHOLDER – FUNGI OR BACTERIA ENDORSEMENTS

This notice has been prepared in conjunction with the implementation of changes to your policy.

COVERAGE IS NOT PROVIDED BY THIS NOTICE nor can it be construed to replace any provisions of your policy. YOU SHOULD READ YOUR POLICY AND REVIEW YOUR DECLARATIONS CAREFULLY for complete information on the coverages that you are provided. If there is any conflict between the policy and this notice, THE PROVISIONS OF THE POLICY SHALL PREVAIL.

Following is a brief synopsis of any significant restrictions or clarifications of coverage that were made in each policy form and endorsement.

Ordinance Or Law Coverage BP 04 46 11 02

When this endorsement is attached to your policy:

- Under this endorsement, Ordinance or Law coverage is related to property damage losses. Property damage may involve both covered causes of loss and excluded causes of loss. As revised, this endorsement includes a section outlining the circumstances under which Ordinance or Law coverage is and is not triggered. Further, the revised endorsement describes proportionate loss payment for Ordinance or Law losses for the situation where the underlying property damage losses were caused by covered and excluded causes of loss.
- An additional change to this endorsement includes an option to extend Business Income and Extra Expense coverage to Ordinance or Law Coverage. This revision to the endorsement results in a broadening of coverage.
- The revised endorsement contains an exclusionary provision relating to pollution. When this endorsement is attached to your policy, coverage is clarified to make it explicit that such exclusion affects all aspects of the Ordinance Or Law Coverage. Potentially this revision may result in a reduction of coverage as the Ordinance Or Law Coverage specifies that this coverage does not respond to losses related to enforcement of ordinances or laws which require, for example, demolition or repair of property due to fungi, wet rot, dry rot or bacteria, or the assessment of clean up of fungi, wet rot, dry rot or bacteria.

Limited Fungi Or Bacteria Coverage BP 05 76 11 02

When this endorsement is attached to your policy:

- Coverage is potentially restricted under the Increase Cost of Construction Additional coverage to specify that such coverage does not respond to losses related to enforcement of laws which require, for example, demolition or repair of property due to fungus, wet rot, dry rot or bacteria, or the assessment or clean up of fungus, wet rot, dry rot or bacteria. However, this is also a clarification in coverage to make it explicit that the exclusion regarding pollution affects all aspects of the Increased Cost Of Construction coverage.
- Coverage is restricted by providing limited coverage when fungi results from a “specified cause of loss” other than fire or lightning. Property damage coverage is subject to a \$15,000 annual aggregate limit per policy. The \$15,000, which does not increase the amount of insurance on the affected property, represents a reduction of coverage. Under business interruption coverage, when a business interruption is attributable to fungi, the period of restoration is limited to 30 days (not necessarily consecutive days). When fungi prolongs a business interruption that is attributable to other damage, a delay of up to a total of 30 days is covered (regardless of when the delay occurs during the period of restoration). In each case, the 30-day period represents a reduction in coverage.

In the past, coverage for loss caused by fungi (including mold, wet rot and dry rot) was provided when the fungi resulted from a Covered Cause of Loss. Under the Property, the Limit of Insurance on the affected property was the maximum payable for the total of all damages (by the covered cause of loss and fungi) to the covered property. Under the Business Interruption coverage, the period of restoration applied without exception to the suspension of operations involving fungi. Such coverage, for property and business interruption, still applies when fungi results from a fire or lightning loss.

Fungi Or Bacteria Exclusion (Liability) BP 05 77 11 02

When this endorsement is attached to your policy:

- Coverage is restricted to exclude bodily injury or property damage arising, directly or indirectly, out of any fungi, including but not limited to mold, or bacteria on or in a building or structure. This exclusion applies whether or not any other cause, event, material or product contributed in any sequence to the injury or damage.
- Coverage is clarified to exclude personal and advertising injury arising, directly or indirectly, out of any fungi, including but not limited to mold, or bacteria on or in a building or structure. This exclusion applies whether or not any other cause, event, material or product contributed in any sequence to the injury.
- Coverage is restricted to exclude clean-up costs associated with fungi or bacteria.

This exclusion does not apply to fungi or bacteria intended for consumption, such as mushrooms.

Limited Fungi Or Bacteria Coverage (Liability) BP 05 78 11 02

When this endorsement is attached to your policy:

- Coverage currently provided by your policy for bodily injury or property damage arising, directly or indirectly, out of any fungi, including by not limited to mold, or bacteria on or in a building or structure is potentially restricted by a specific aggregate limit, which is subject to and may be less than the current policy limits.
- Coverage is clarified to exclude personal and advertising injury arising, directly or indirectly, out of any fungi, including but not limited to mold, or bacteria on or in a building or structure. This exclusion applies whether or not any other cause, event, material or product contributed in any sequence to the injury and applies to clean up costs.

NOTICE TO POLICYHOLDERS

GENERAL LIABILITY COVERAGE

The following is brief overview of how you can create a safer environment for both customers and employees, as well as, lessen the severity and/or likelihood of a claim or lawsuit. This information was compiled based upon recent observations of liability loss trends and is another example of our continued efforts to help people live safer more secure lives.

Prompt Claims Reporting

The quicker our claims personnel can identify all parties to a loss, gather critical information and maintain control of a claim, the quicker a fair resolution to the claim can be made.

Premises Condition and Maintenance

Each year we experience thousands of “slip and fall” claims. These are common but many of them are clearly preventable. Maintaining premises so that walking surfaces are well lighted, level and unobstructed will go a long way to reduce slip and fall losses. In certain locales, during winter months snow and ice buildup on sidewalks and parking lots also increases the probability of a slip and fall loss.

Service Providers

Any entity that conducts operations on your premises can have a significant impact on **your** loss experience. A customer or anyone else on your premises injured by an uninsured delivery person, repair person or contractor (including a snow removal contractor) may expect you, as the owner or operator of the premises, to respond to their claim. What can you do?

- Require all service providers to present you with a **current certificate of insurance** before they start work on your premises. This is a very common practice that should be familiar to most service providers. The certificate of insurance is a representation that the service provider has the type of insurance listed on the certificate at the time it is written.
- Require all service providers to have **you** named as an additional insured on **their** policy. This way, the policy of the service provider doing work on your premises or on your behalf, will help to protect **you** if the provider causes a loss.

Contractual /Hold Harmless Agreements

If your business operations are typically conducted away from your premises (such as the operations of a plumbing and heating contractor, electrician or carpenter) you may be asked to agree, by signing a contract, to accept responsibility for claims arising from your work on someone else’s premises. This is not unusual. However, this written agreement must be carefully read and understood because sometimes the written agreement you are asked to sign will cause you to be held liable for “any” or “all” loss arising from your operations even if the loss was caused by someone else. **Review any contracts with your legal counsel to be sure you are not accepting liability you never anticipated.**

Although this is only a brief outline of some of the loss prevention measures you can take, the recommendations cited here are fundamental risk management tools that are simple to execute and will clearly reduce your overall exposure to financial loss. Should you have any questions or need assistance with the implementation of these recommendations, please contact your agent. In closing, thank you for choosing us as your insurance carrier and know that we will work closely with your agent to meet your loss prevention needs.

NOTICE TO POLICYHOLDER WATER EXCLUSION ENDORSEMENT

This notice has been prepared in conjunction with the implementation of changes to your policy. No coverage is provided by this Notice, nor can it be construed to replace any provisions of your policy. If there is any conflict between this Notice and the policy, **the provisions of the policy shall prevail.**

Carefully read your policy, and the endorsements attached to your policy.

This Notice provides information concerning the following new endorsements, which applies to your new or renewal policy being issued by us:

Water Exclusion Endorsement 44-223 (08/08)

Water Exclusion Endorsement 23-177 (08/08)

This endorsement replaces the current water exclusion in your policy with a revised exclusion. The revised exclusion contains language reinforcing the scope of the water exclusion, and explicitly states that such exclusion applies regardless of whether the water damage is caused by an act of nature or is otherwise caused. Specific mention is made of various boundary or containment systems such as dams and levees to further highlight this point. Further, express references to tsunamis, storm surge and waterborne material are also added to the exclusion.

The exclusion in this endorsement applies to all Property Coverages provided by your policy, including (if any) property damage and business income coverages, unless stated otherwise in your policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**LIMITED FUNGI OR BACTERIA COVERAGE**

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

The following provisions apply to Section I – Property:

A. Fungi Or Bacteria Exclusions

- Paragraph **A.5.I.(5)** of the Increased Cost Of Construction Additional Coverage is replaced by the following:

- Under this Additional Coverage, we will not pay for:

- The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by “pollutants” or due to the presence, growth, proliferation, spread or any activity of “fungi”, wet or dry rot or bacteria; or

- Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of “pollutants”, “fungi”, wet or dry rot or bacteria.

- The following exclusion is added to Paragraph **B.1. Exclusions**:

- “Fungi”, Wet Rot, Dry Rot And Bacteria**

- Presence, growth, proliferation, spread or any activity of “fungi”, wet or dry rot or bacteria.

- But if “fungi”, wet or dry rot or bacteria result in a “specified cause of loss”, we will pay for the loss or damage caused by that “specified cause of loss”.

- This exclusion does not apply:

- When “fungi”, wet or dry rot or bacteria result from fire or lightning; or

- To the extent that coverage is provided in the Additional Coverage – Limited Coverage For “Fungi”, Wet Or Dry Rot and Bacteria (contained in the Limited Fungi or Bacteria Coverage) if any, with respect to loss or damage by a cause of loss other than fire or lightning.

- Paragraph **B.2.I.(2)** of the **Exclusions** is replaced by the following:

- Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

B. Limited Fungi Or Bacteria Coverage

1. The following **Additional Coverage** is added to Paragraph **A.5**.

i. Limited Coverage For “Fungi”, Wet Rot, Dry Rot And Bacteria

- (1) The coverage described in Paragraphs **B.1.i.(2)** and **B.1.i.(6)** only applies when the “fungi”, wet or dry rot or bacteria are the result of a “specified cause of loss” other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) We will pay for loss or damage by “fungi”, wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by “fungi”, wet or dry rot or bacteria, including the cost of removal of the “fungi”, wet or dry rot or bacteria;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the “fungi”, wet or dry rot or bacteria; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that “fungi”, wet or dry rot or bacteria are present.
- (3) Unless a higher limit is selected in Schedule, the coverage described under this Limited Coverage is limited to \$15,000. If the Schedule indicates that the Separate Premises Or Locations Options applies, then the amount of coverage is made applicable to separate premises or locations as described in the Schedule. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of “specified causes of loss” (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in “fungi”, wet or dry rot or bacteria, we will not pay more than the total of \$15,000 unless a higher limit is selected in the Schedule even if the “fungi”, wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by “fungi”, wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by “fungi”, wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that “fungi”, wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of “operations” satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.

- a. If the loss which resulted in “fungi”, wet or dry rot or bacteria does not in itself necessitate a suspension of “operations”, but such suspension is necessary due to loss or damage to property caused by “fungi”, wet or dry rot or bacteria, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days unless another number of days is indicated in the Schedule. The days need not be consecutive.
- b. If a covered suspension of “operations” was caused by loss or damage other than “fungi”, wet or dry rot or bacteria, but remediation of “fungi”, wet or dry rot or bacteria prolongs the “period of restoration”, we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the “period of restoration”), but such coverage is limited to 30 days unless another number of days is indicated in the Schedule. The days need not be consecutive.

C. Fungi Definition

1. The following definition is added to Paragraph H. Property Definitions:

“Fungi” means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

The following provisions are added to the COMMERCIAL PROTECTOR Coverage Form (Businessowners Coverage Form) and apply to Property and Liability Coverages:

A. CAP ON CERTIFIED TERRORISM LOSSES

“Certified act of terrorism” means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a “certified act of terrorism” include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

- B.** The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.
